## These customers already saved!

*... we picked out a good pickup truck and it couldn't have been done without the dedication put forward by [your staff] ... I can't say enough about the experience and assistance we received from [your staff] ...*

### Jackson Township – Luzerne County

*... the Authority has acquired in the neighborhood of 2.8 million dollars in assets through this program. During our involvement in this program, the Authority has gone from a struggling organization to a true leader of our area and our involvement in the Pennsylvania Federal Surplus Property Program has been a "key to our success."*

### McCandless Township Sanitary Authority City of Pittsburgh

*Keystone is a long-time user of the Federal Surplus Property Program. In our administrative offices, nearly every office chair, desk, wastecan, stapler, paper clip, bookcase, file cabinet and the file folders in them were acquired through federal surplus.*

*Automobiles used to transport elderly blind persons to doctors' offices and grocery stores are federal surplus. The buffers, scrubbers, lift trucks, drill presses, floor jacks, shelving, racks, lawn mowers, screwdrivers, wrenches, and delivery trucks are federal surplus ...*

*We estimate the total value of goods to be worth near \$1,000,000 and our cost under \$100,000. That is quite a significant service.*

### Keystone Blind Association Sharon, Pa.

*You should be proud of your entire operation and the efficiency we have seen while working with them. I was impressed with the prompt action by all, and the ease in which we obtained a vehicle.*
