

# FEELING SICK? STAY HOME!

## Leave is Available to You

Are you afraid to go to the doctor or stay home because you do not have available leave or want to save your leave?

### PRIMARY SYMPTOMS:

- fever of 100.4 °F or higher
- cough
- shortness of breath
- chills
- repeated shaking with chills
- muscle pain
- sore throat
- new loss of taste or smell
- difficulty breathing that are not related to a pre-existing medical condition

### WHAT YOU SHOULD KNOW:

The Families First Coronavirus Response Act (FFCRA) has you covered. It provides up to 10 days of emergency paid sick leave if you are unable to work because you:

- have symptoms of COVID-19 and are seeking a medical diagnosis.
- are subject to a Federal, State or Local quarantine or isolation order, issued by a governmental entity, related to COVID-19; or
- were advised by a health care provider to self-quarantine due to concerns related to COVID-19.

### HOW IT WORKS:

- Emergency paid sick leave is NOT deducted from any of your current leave balances.
- You will receive your regularly hourly rate of pay, up to \$511 per day (10 days total).
- Contact your supervisor or FMLA Specialist at 717.346.4667 for more information.
