HARRISBURG, PENNSYLVANIA

ADDENDUM NO. 3

on

PROJECT NO. DGS C-0962-0034 PHASE 001
PROJECT TITLE - Fort Indiantown Gap - New Water Line
PROFESSIONAL:

Military and Veterans Affairs
Building 0-11, Chapel Road, FTIG
Annville, PA, 17003

If you submitted a bid through e-Builder prior to this Addendum being issued, your bid has been discarded and you must re-submit your bid(s) through e-Builder prior to the bid opening date and time. Please see Section 4.C. of the Instruction to Bidder

GENERAL CHANGES – ALL CONTRACTS

Item 1 - The Proposal Submission Deadline is extended by two weeks. Note that no Requests for Information will be addressed if submitted after the deadline below. Revised dates are as follows:

- a. Deadline to Submit RFI's: October 29, 2020
- b. Deadline to Issue Addenda: November 5, 2020
- c. Bid Due Date: November 12, 2020 at 2:00 p.m.

Item 2 - Proposals are to be hand delivered/mailed to the Issuing Officer, Toni Dolan, DGS, 1800 Herr Street, Harrisburg, PA 17103 in the Lobby of the Arsenal Building by the due date and time.

Item 3 - RFP Section 2-4.4 Qualifications. For the DBC Contractor (item 1), the Proposer may use the same project in each of the three categories (Design-Build, Military, Waterline replacement) if applicable. For the General Construction Entity (item 4), the Proposer should include information on the entity that will perform General Construction work, whether that is the DBC or a subcontractor. It does not apply to other subcontractors.

Item 4 - Where the DBC is a verified SDB/VBE, this will satisfy the 9% and 3% VBE requirements. The Proposer must complete both sets of forms, listing that contractor on each form and corresponding percentage.

Item 5 - Technical Scope. Delete in their entirety Paragraph 2.2.3, Section 2.9 (Water Distribution Monitoring System) and Section 3.3 (Water Monitoring System Requirements).

Item 6 - Technical Scope. Modify Paragraph 2.6.1 as follows: "The location of all new potable water facilities shall be in the same general vicinity of the existing system. The new waterline shall be installed adjacent to the existing waterline, which shall remain in place. There are no...."

Item 7 - Technical Scope. Modify Paragraph 3.2.1.1 as follows: "Water lines: All water lines shall be Class 53 Ductile-Iron Pipe or Pressure Class 350, conforming to AWWA C151. HDPE pipe may be used for directional drilling at stream crossings only. All water lines...."

Item 8 - Fort Indiantown Gap owns the entire water distribution system; there will not be any tap fees.

Item 9 - Drone usage at Fort Indiantown Gap is not authorized.

Item 10 - The DBC is responsible for means and methods, including the determination on whether temporary water lines will be required. Refer to Technical Scope Paragraph 2.3.4.4.

Item 11 - To clarify Item #9 of Addendum 2, all fees for permits shall be included in the proposal.

Item 12 - To correct Item #7 of Addendum 2, DBC shall confirm whether a PennDOT Highway Occupancy Permit is required for work along State Route 443.
