In addition, Local Public Procurement Units, as defined by the Commonwealth Procurement Code, may use this contract in accordance with the COSTARS Provision contained in this document.

ISSUING OFFICE: This ITQ is managed and administered by the Commonwealth of Pennsylvania, Department of General Services (DGS), Bureau of Procurement. All inquiries should be referred to:

TERM OF CONTRACT: Any contract issued to qualified Contractors, as a result of this ITQ, shall commence on the Contract Effective Date and shall end on 8/31/2028. If it is deemed to be in the best interest of the Commonwealth, we reserve the right to extend the term of this contract by issuance of a Contract Change Notice to all qualified Contractors, no amendment is required.

QUALIFICATIONS: Contractors interested in becoming an ITQ Contractor must meet the following requirements and provide the required forms. Failure to meet the below requirements will result in the application being rejected. This ITQ Contract is open to Original Equipment Manufacturers (OEMs) and authorized resellers and distributors for qualification. Each Contractor that meets the minimum qualifications will be awarded a contract. Award of a contract to a Contractor is not a guarantee of business.

- A. Contractors must complete an Experience Form providing information that shows their company has a minimum of two (2) years of experience supplying products for each of the commodity codes that they intend to qualify.
- B. Manufacturer Identification Sheet (Attachment A). Contractors must complete Attachment A, the Manufacturer Identification Sheet, by identifying the Manufacturer(s) that you are authorized to sell products for within each of the Commodity Codes listed on Attachment A and defined below.
- C. Manufacturers Authorization. If a Contractor is not the Manufacturer of the offered products, a letter from the Manufacturer on the Manufacturer's company letterhead authorizing your company to sell and distribute their products must be submitted with your proposal. A separate letter of authorization is required for each manufacturer you intend to represent and have identified on Attachment A. Failure to provide the manufacturer's authorization letter as identified in this section will impact a Contractor's ability to qualify for the respective commodity code.

NOTE: Once a Contractor is qualified under this ITQ they will not be permitted to unilaterally change authorized manufacturers represented. Contractors may request to add or remove manufacturers with a 60-day written notice to the Contracting Officer. The Contracting Officer will evaluate the requests and provide an official response to the Contractor.

B. COSTARS Reporting Requirements. If you checked "Yes" in Step 6 when developing your qualification bid for the ITQ contract, you agreed to participate in the Commonwealth's COSTARS program, and you are bound by the COSTARS Purchasers Provision contained within this Statement of Work. The requirement to report COSTARS sales to DGS' COSTARS Program Office is contained in Section E of the COSTARS Purchasers Provision. By agreeing to participate in the COSTARS program, you are required to report COSTARS sales to DGS on a quarterly basis. Even if you had no COSTARS sales, you must file a report.

COSTARS sales for the ITQ contract can now be reported through the automated COSTARS sales reporting system located on the COSTARS website. The information required will be your vendor number, contract number, date of sale, customer name and the amount of the sale. It is also recommended that you record the COSTARS Member ID number. Detailed instructions appear below.

The deadline for submitting sales information is the 15th day of the month following the end of the quarter. Failure to report COSTARS sales is in breach of contract and may result in DGS suspending your participation in the COSTARS program.

Note: This system is to be used to record sales to COSTARS members ONLY! ZERO (\$0.00) sales for a particular quarter must also be reported.

REQUEST FOR QUOTES (RFQ) PROCEDURES: Commonwealth Agencies will issue an RFQ to qualified Contractors, through the Commonwealth's Custom Portal, powered by the JAGGAER system. Contractors will respond to the RFQ in the system. The requesting Agencies may require the qualified Contractors to furnish, upon request, additional documentation in the RFQ. The qualified Contractors selected for the RFQ process will receive a Purchase Order (PO) and will supply the service to meet the specific requirements as indicated in the RFQ.

Agencies will exercise a scoring method based upon the criteria set forth in the RFQ. The Scoring Methods are defined as follows:

- Best Value - Refers to the process of selecting the quote which provides the greatest value to the agency based on evaluating and comparing all pertinent criteria, including cost, so that the Contractor whose overall proposal best suits the agency's needs is selected for each individual project; and
- Low Cost - Refers to the lowest cost quoted from all proposals received that are deemed both responsive and responsible for the project.
