August 13, 2021

Dear Customer,

On July 15, 2021, the Department of General Services received approval from the Independent Regulatory Review Commission (IRRC) to update the fee schedule for calibration, type evaluation and other services performed by the Department's Pennsylvania Standards Laboratory. The updated fee schedule will be effective August 21, 2021. Included with this letter is the updated fee schedule established by Regulation no. 8-27 (#3237).

Sincerely,

James P. Gownley
Laboratory Supervisor
