

FleetFocus M5

END USER ENHANCEMENTS

Enhancements

- There have been some changes made to the FleetFocus M5 application.
 - You will be able to edit your user profile.
 - Buttons have been added to the LOVs enabling you to easily copy information, export to Excel, and print.
 - You will also be able to select the number of rows displayed, and easily jump to the first or last record.
 - When searching, there is now an auto complete feature on LOVs.
 - A new barcode size is available for the Barcode Writer.

Edit User Profile/Homepage

- You can now personalize M5 with the new 'Edit User Profile'.
- To utilize this function and customize your profile settings, point your cursor over the gray user silhouette in the top right corner next to the 'Help' button and click the 'Edit User Profile' option.

Edit User Profile/Homepage

Point your cursor over the user silhouette to access the link to edit your user profile.

1. Auto Complete

- The 'Auto Complete' option provides a drop down listing of similar values on particular frames instead of having to double click in the field to access the list of values (LOV) to search.
- As you begin typing in the field, a list of possible values that match what you have entered will display below the field.

The screenshot shows a web application interface for 'Department Main'. At the top, there are several buttons: Save, Undo, Refresh, Delete, Find, and a 'Related' link. Below the buttons, the title 'Department Main' is displayed. The form is divided into sections. The 'Department Information' section has fields for 'Department:', 'Description:', and 'Status:'. The 'Department:' field contains the value '10' and has a dropdown menu open, listing various department codes and descriptions, all starting with '10-'. The dropdown list includes: 10-0000 AGING, 10-0100 AGING, 10-1000 AGING, 10-1200 AGING, 10-1201 AGING, 10-1300 AGING, 10-1301 AGING, 10-1516 AGING, 10-1801 AGING, 10-2001 AGING, 10-2112 AGING, 10-2113 AGING, 10-2401 AGING, 10-2411 AGING, 10-2412 AGING, 10-2413 AGING, 10-3001 AGING, 10-3112 AGING, and 10-3114 AGING. The 'General' tab is selected, and other tabs like 'Quote Rules', 'Motor Pool', 'Markup Matrix', and 'Tax M' are visible. The form also includes fields for 'Billing Cod', 'Contact In', 'E-mail Ad', and 'Work Orde'.

2. Related Frames

- The 'Related Frames' option allows you to control what related links are displayed on frames.
 - ▼ The 'All' setting will display all related frame hyperlinks.
 - ▼ The 'Select' setting will display only those frames specified on the Related Hyperlinks tab on Frame Maintenance for a specific frame.

2. Related Frames

Example if the "All" setting is selected

The screenshot displays the AssetWORKS software interface. At the top, there is a navigation bar with the logo 'AssetWORKS', a 'Menu Search' dropdown, and a 'Location' dropdown set to 'VMCR01 - 01 CUSTOMER SERVI...'. Below this is a green navigation bar with links for 'Home', 'M5 ADMINISTRATION', 'Favorites', 'History', 'Dashboard', and 'Reports'. A toolbar contains buttons for 'Save', 'Undo', 'Refresh', 'Delete', 'Find', and 'Related'. The 'Unit Main' form is the central focus, with a 'Related' dropdown menu open, listing various related functions such as 'Activity Codes', 'Associated Unit/Comp', 'Billing Unit/Dept Code Maintenance', 'Commercial Work Order Entry', 'Department Main', 'Dept/Unit History Query', 'Installed Serialized Parts', 'License Renewal', 'Location Main', 'MCC Main', 'Part List/Disposal', 'Product Setup Unit', 'Standard Job Schedule', 'Tech Spec Association Setup', 'Tech Spec Items', 'Tech Spec Main', 'Unit Accounting', 'Unit Assignment History', 'Unit Copy', 'Unit Disposal', 'Unit Items', and 'Unit Performance'. The form itself has several sections: 'Unit Information' with fields for 'Unit:', 'Description:', and 'Alternate Unit No.'; 'Asset/Codes' with tabs for 'Asset/Codes', 'Dept/Locations', 'Class', and 'Meter/Account'; 'Year / Manufacturer / Make / Model' with input fields; and 'Unit Codes' with fields for 'Serial Number:', 'MCC:', 'Activity:', 'Tech Spec Number:', 'Asset Category:', 'Asset Class:', 'Billing:', and a 'High Priority' checkbox.

2. Related Frames

Example if the "Select" setting is selected

The screenshot displays the AssetWORKS software interface. At the top, there is a navigation bar with the logo 'AssetWORKS', a 'Menu Search' dropdown, and a 'Location' dropdown set to 'VMCR01 - 01 CUSTOMER SERVI...'. Below this is a green navigation bar with links for 'Home', 'M5 ADMINISTRATION', 'Favorites', 'History', 'Dashboard', and 'Reports'. A toolbar contains buttons for 'Save', 'Undo', 'Refresh', 'Delete', 'Find', and 'Related'. The 'Unit Main' form is the central focus, with a 'Related' dropdown menu open, listing various actions such as 'Associated Unit/Comp', 'Commercial Work Order Entry', 'Dept/Unit History Query', 'Installed Serialized Parts', 'License Renewal', 'Part List/Disposal', 'Product Setup Unit', 'Standard Job Schedule', 'Tech Spec Association Setup', 'Tech Spec Items', 'Unit Accounting', 'Unit Assignment History', 'Unit Copy', 'Unit Disposal', 'Unit Items', and 'Unit Performance'. The form itself has several sections: 'Unit Information' with fields for 'Unit:', 'Description:', and 'Alternate Unit No.'; 'Year / Manufacturer / Make / Model' with input fields; and 'Unit Codes' with fields for 'Serial Number:', 'MCC:', 'Activity:', 'Tech Spec Number:', 'Asset Category:', 'Asset Class:', 'Billing:', and a 'High Priority' checkbox. A 'Location' dropdown is also visible on the right side of the form.

3. Font Size (Ribbon)

- The 'Font Size (Ribbon)' option will change the size of the font on the top ribbon ONLY.
- The choices are Small, Medium, Large, and Extra Large.

Font Size (Ribbon): Small Medium Large Extra Large

Home M5 ADMINISTRATION Favorites History Dashboard Reports

4. Font Size (General)

- The 'Font Size (General)' option change the size of the general font throughout the M5 application. The choices are Small, Medium, Large, and Extra Large.

Font Size (General): Small Medium Large Extra Large

The screenshot displays the 'AssetWORKS' application interface. At the top, there is a 'Menu Search' dropdown and a 'Location' dropdown set to 'VMCR01 - 01 CUSTOMER SERVI...'. Below this is a green navigation bar with links for 'Home', 'M5 ADMINISTRATION', 'Favorites', 'History', 'Dashboard', and 'Reports'. A toolbar contains buttons for 'Save', 'Undo', 'Refresh', 'Delete', 'Find', and 'Related'. The main content area is titled 'Unit Main' and contains a 'Unit Information' section with fields for 'Unit', 'Description', 'Status', and 'Alternate Unit No.'. Below this is a tabbed interface with tabs for 'Asset/Codes', 'Dept/Locations', 'Class', 'Meter/Accounting', 'License/Notes', and 'GPS Location'. The 'Asset/Codes' tab is active, showing a 'Year / Manufacturer / Make / Model' section with four input fields. The 'Unit Codes' section includes fields for 'Serial Number', 'MCC', 'Activity', 'Tech Spec Number', 'Asset Category', 'Asset Class', 'Billing', and a 'High Priority' checkbox.

Dashboard Enhancement

- When you click on the 'Dashboard' option from the M5 ribbon (Toolbar), you will notice the look of the dashboards have changed. Dashboards will now resemble the one below:

Dashboard Enhancement

- Clicking the meter on the Dashboard page will now open the most recent iteration of a KPI, as shown below. You can choose to:
 1. Copy – Copy the information for further use.
 2. Excel – Export the information into an Excel Spreadsheet
 3. Print – Print the information

List of Value (LOV) Buttons – Show, Copy, Excel, and Print

- The LOVs (list of values) in M5 now have buttons that allow you to adjust the number of rows displayed, copy, generate an Excel spreadsheet file, and print the LOV results. First and Last buttons have also been added to make navigation easier.
- The Unit List shown here is an example of a LOV.

The screenshot shows a web application window titled "Unit List" with a menu bar (File, Edit, View, Favorites, Tools, Help) and a search bar. Below the search bar are buttons for "Show 20 rows", "Copy", "Excel", and "Print". The table below has the following data:
