The Final Scoring of the Request for Quotes for the consulting services on above-referenced project was conducted Wednesday, October 11, 2017.

Attached for your review is a summary score sheet showing all the Proposers along with their final scores.

To the best of my knowledge, the proposals received were scored and evaluated fairly and in accordance with the guidelines set forth.

I recommend that the successful Proposer, CJL Engineering, be notified. Should you have any questions or need further information, please do not hesitate to contact me.
