RE: Cancellation of Request for Quotes
Project No. DGS GESA 2019-2
Department of General Services
Capitol Complex, Harrisburg, Pennsylvania

To Whom It May Concern:

Due to inconsistencies between different parts of the Request for Quotes (RFQ) for the above GESA Project, the Energy and Resource Management Office has determined to cancel this RFQ in the best interest of the Commonwealth. Therefore, all Quote Submissions received are rejected.

A new solicitation for this RFQ, named RFQ# GESA 2019-2 (REBID) will be issued via email to all qualified companies on ITQ contract #4400016426, posted to the DGS Energy & Resource Management page (<https://www.dgs.pa.gov/Facilities/Energy-Savings-Program/Pages/default.aspx>) as well as to eMarketplace (<http://www.emarketplace.state.pa.us>). We encourage your company to monitor these areas for future solicitation announcements.

Thank you for your interest in doing business with the Commonwealth of Pennsylvania.

Sincerely,

A handwritten signature in black ink that reads "R. Tomlinson". The signature is written in a cursive, flowing style.

Becky Tomlinson
RFQ Coordinator
