Project No. GESA 2019-3 – Request for Quotes for a Guaranteed Energy Savings Project at:
PA Fish & Boat Commission, Headquarters and Various State Hatcheries, Pennsylvania

Quote Submission Deadline: Tuesday, March 24, 2020

Time of Opening: 2:00 PM

REQUEST FOR INFORMATION

1. Please provide an electronic set of drawings for buildings and a process diagram of the hatcheries including water flow and pumping and controls. **Available drawings have been placed in the SharePoint website for you to access, view and download what you need. You will only be able to access this site via the link that was previously emailed to you on the afternoon of January 24, 2020. If you need the link sent to you again, please contact the issuing officer, Becky Tomlinson, at retomlinso@pa.gov. Please note: not all sites have electronic drawings available. If more drawings become available, they will be added to this SharePoint website.**
2. On the SharePoint website, the Bellefonte Hatchery utility information folder does not contain any files; please confirm if this is correct. **Two utility files have been added to this folder.**
3. In regard to energy related cost savings, will this project include up to \$300,000 per ECM? If so, will this be per site or per building? **Yes; the \$300,000 limit per ECM is per building.**
