The Final Scoring of the Request for Quotes for the consulting services on the above-referenced project was conducted Wednesday, April 12, 2023.

Attached for your review is a summary score sheet showing all the Offerors along with their final scores.

To the best of my knowledge, the quotes received were scored and evaluated fairly and in accordance with the guidelines set forth.

I recommend that the successful Offeror, Entech Engineering, be notified. Should you have any questions or need further information, please do not hesitate to contact me.

A handwritten signature in black ink, appearing to be "BLT".
