F. COSTARS Reporting Requirements. If you checked “Yes” in Step 6 when developing your qualification bid for the ITQ contract, you agreed to participate in the Commonwealth’s COSTARS program, and you are bound by the COSTARS Purchasers Provision contained within this Statement of Work. The requirement to report COSTARS sales to DGS’ COSTARS Program Office is contained in Section E of the COSTARS Purchasers Provision. By agreeing to participate in the COSTARS program, you are required to report COSTARS sales to DGS on a quarterly basis. Even if you had no COSTARS sales, you must file a report.

COSTARS sales for the ITQ contract can now be reported through the automated COSTARS sales reporting system located on the COSTARS website. Information required will be your vendor number, contract number, date of sale, customer name and the amount of the sale. It is also recommended that you record the COSTARS Member ID number. Detailed instructions appear below.

The deadline for submitting sales information is the 15th day of the month following the end of the quarter. Failure to report COSTARS sales is in breach of contract, and may result in DGS suspending your participation in the COSTARS program.

Note: This system is to be used to record sales to COSTARS members ONLY! ZERO sales for a particular quarter must also be reported.

G. New Equipment. Unless otherwise specified in this ITQ, all products offered by Contractors must be new or remanufactured. A 'new' product is one that will be used first by the Commonwealth after it is manufactured or produced. A 'remanufactured' product is one which: 1) has been rebuilt, using new or used parts, to a condition which meets the original manufacturer's most recent specifications for the item; 2) does not, in the opinion of the Issuing Office, differ in appearance from a new item; and 3) has the same warranty as a new item. H. Post-Submission Descriptive Literature. The Commonwealth may, during its evaluation of the bids, require any Contractor to submit cuts, illustrations, drawings, prints, test data sheets, specification sheets and brochures which detail construction features, design, components, materials used, applicable dimensions and any other pertinent information which the Issuing Office may require in order to evaluate the product(s) offered. The required information must be submitted within two (2) business days after notification from the Issuing Office. J. Prompt Payment Discounts. Prompt payment discounts will not be considered in making an award. If prompt payment discounts are offered by any Contractor, however, the Issuing Office will take advantage of such offer.

REQUEST FOR QUOTES (RFQ) PROCEDURES: Commonwealth Agencies will issue an RFQ to qualified Contractors, through the Commonwealth’s Custom Portal, powered by the JAGGAER system. Contractors will respond to the RFQ in the system. The requesting Agencies may require the qualified Contractors to furnish, upon request, additional documentation in the RFQ. The qualified Contractors selected for the RFQ process will receive a Purchase Order (PO) and will supply the service to meet the specific requirements as indicated in the RFQ.

Agencies will exercise a scoring method based upon the criteria set forth in the RFQ. The Scoring Methods are defined as follows:

- Best Value
 - Refers to the process of selecting the quote which provides the greatest value to the agency based on evaluating and comparing all pertinent criteria, including cost, so that the Contractor whose overall proposal best suits the agency's needs is selected for each individual project; and
- Low Cost
 - Refers to the lowest cost quoted from all proposals received that are deemed both responsive and responsible for the project.
