

# Pennsylvania Standards Laboratory

## Bio-Medical/Chemical Cleanliness Certification

The Pennsylvania Standards Laboratory is requiring that this form be completed and signed by the appropriate individual for each and every submission of mass standards by the pharmaceutical, bio-medical, and chemical industries. The completed form is to accompany the mass standards when delivered for calibration.

Are these mass standards directly or indirectly exposed to materials that could in any way be considered hazardous to human beings?

Yes       No

If yes, have decontamination procedures been performed on these mass standards?

Yes       No

If you have a written policy or procedure to ensure cleanliness of materials leaving your facility, please provide us with a copy.
