E-ZPass ACCOUNT APPLICATION

New Account Application:

Complete the Commonwealth Account Application and email to BVM's Administration Division at RA-bvmR&R@pa.gov. The form requires a list of vehicles, a billing contact and a shipping contact. You will be required to choose a pin number for access to your agency's account. The Turnpike will assign an account number and transponder numbers. Transponders will be mailed directly to the agency including a copy of the form with the addition of the account number and transponder numbers. Approximate processing time is 2-3 weeks.

Authorized users:

The persons listed on the application are the only individuals that can access the account by phone or electronically. It is important to have more than one person listed as an authorized user.

Transponder Transfers:

To transfer a transponder from one unto to another, fill out the E-ZPass Additional Transponder Request/Change Form and email the completed form to BVM's Administration Division at RA-bvmR&R@pa.gov.
